Public Avalanche Information
Avalanche Bulletin - Banff, Yoho, and Kootenay National Parks - Tue Aug 09, 2022

Issued: Thu Jul 07, 2022 17:00 **Valid Until:** further notice

NEW Area closures for avalanche control are in effect intermittently from November to May. If not described in the bulletin headline below, the area is open. For more information and maps, click the link below under "Resources".

"Reports are showing a transition to a supportive summer snowpack in most areas. Expect hard snow conditions on cold mornings and increasing avalanche hazard in steep snowy terrain on hot days." **[IJ]**

▼ Public Avalanche Forecast

Summer Conditions: Thursday

Information regarding summer mountain conditions can be found on the Mountain Conditions Report, published by the Association of Canadian Mountain Guides.

More Summer Condition details.
